ABOUT ME

After leaving the workforce in 2021 to be a stay-at-home parent, I am now pursuing a career as a web developer. I pride myself on having a strong work ethic, being friendly and personable while staying professional and dedicated to expanding my skill set. With the completion of a full-stack development bootcamp in February 2025, a solid foundation in modern web technologies will allow me to contribute as a reliable team member.

SKILLS

Technical Skills:

- **Frontend:** HTML, CSS, JavaScript, TypeScript, React, Next.js, Tailwind CSS
- **Backend:** Node.js, Express
- **Databases:** PostgreSQL/Sequelize, MongoDB/Mongoose
- REST APIs, GraphQL, Git/GitHub/GitHub Actions

Transferable Skills:

- Conflict resolution
- Reliable
- Persistent problem-solver
- Strong customer service

PROJECTS *(Deployed apps available on portfolio)*

Portfolio – Created a personal portfolio using React, Tailwind CSS, and GitHub Actions.

Flex-Dice – A virtual version of the dice game Left, Right, Center using Next.js, Tailwind CSS, and a serverless PostgreSQL database.

Indexd – An app that helps you study via virtual flash cards. Created using manipulation of the DOM and Tailwind CSS.

PREVIOUS EXPERIENCE

Les Olson Company – *Warehouse/Inventory Manager & Delivery Driver*

Sept 2018 – Apr 2021

- Managed inventory using software and physical audits.
- Delivered supplies and equipment to customers.
- Developed solutions and planned logistics to maintain efficiency.
